Fair Play Fair Pay

The 2005 pay award:

- Reduces the value of our pay scales,
- Reduces the value of our pensions,
- Penalises staff in pay bands 3 and 4, and
- Ignores the views of union members.

Trade Union members in the Commission voted by four to one to reject the 2005 pay offer, yet despite this the Executive Board have overridden and undermined the views of members by imposing the award.

The Forestry Commission Trade Unions are campaigning to correct these injustices, to seek a fair settlement for

all staff and to ensure that the EB will never impose an unfair settlement against the wishes of staff again.

You can show your support in many simple ways:

- Use this postcard to show your colleagues that you care.
- Join a union and encourage your colleagues to do the same.
- Ask your local rep for information about the campaign.
