Purpose

1. This notice provides an update on progress with the 2008 pay award.

Pay 2008

2. Following receipt of Ministerial clearance of our proposed remit, HR submitted the remit and associated business case to HM Treasury for their agreement. Treasury has raised a number of questions and discussions with them are still ongoing. Negotiations with the Trade Unions on the pay award and implementation of the review changes will commence once we have Treasury approval.

3. Unfortunately, this means that we will be unable to implement the award on the due date (1 October), for which we apologise.

4. We will issue further information once negotiations are underway.
