

PCS Forestry Commission Group Review

One of the most significant parts of our review of group structures is the creation of seven new branches in England¹ to replace the current three. The table below lists all of the current locations in England that are setup on the PCS membership database, and shows which branch each is currently in and where it will be transferred to as part of the review.

Code	Location	Current Branch	New Branch
51452	North West England Cons.	North England	North England
51455	Hamsterley Outstation	North England	North England
51456	Rothbury Area Office	North England	North England
51457	Kielder F.D.	North England	North England
51458	Lakes F.D.	North England	North England
51453	Delamere Nursery and FC Office	North England	North West England
51454	Northumbria & Yorkshire Cons.	North England	Yorkshire & Humber
51461	Wykeham Nursery	North England	Yorkshire & Humber
51462	York Office	North England	Yorkshire & Humber
51466	North York Moors F.D.	North England	Yorkshire & Humber
51470	West Midlands F.D.	S&W England	Midlands
53571	West Midlands Cons.	S&W England	Midlands
53854	Ludlow Area Office	S&W England	Midlands
51467	South West England Cons.	S&W England	South West England
51468	Forest of Dean	S&W England	South West England
51469	FE Bristol Office	S&W England	South West England
51473	Peninsula F.D.	S&W England	South West England
51476	Westonburt Arboretum	S&W England	South West England
60725	Savernake (Marlborough)	S&W England	South West England
51478	National Office Cambridge	SE England	East England
51479	East Anglia F.D.	SE England	East England
51471	New Forest District	SE England	London & South East Eng.
51477	Alice Holt (FR)	SE England	London & South East Eng.
